Dear Sir / Madam,

Sub: Grading System in PESIT

PES Institute of Technology (PESIT) was started in 1988 and is affiliated to Visvesvaraya Technological University (VTU), Belgaum, recognized by Government of Karnataka and approved by All India Council for Technical Education (AICTE). The Institute was granted autonomous status in August 2007 and the university has issued a set of guidelines to the institute to function under autonomous mode. From 2007 onwards after attaining the autonomous status, PESIT had adopted relative letter grading system in place of absolute grading for each course. However, the institution moved to absolute grading system from the academic year 2012 -13. The letter grades and the grade points as approved by the university are given below.

Grade	Grade Points
S	10 (Outstanding)
A	9 (Excellent)
B	8 (Very Good)
C	7 (Good)
D	5 (Average)
E	4 (Satisfactory)
F	0 (Fail)

The semester performance is shown as SGPA and the cumulative as CGPA. This system of evaluation has the approval of VTU. The medium of instruction is English and the institute has been authorized to issue grade cards, transcripts and provisional degree certificate. However, the final degree will be issued by the university.

Thanking you with regards
